OBJECTIVE

Motivated Artificial Intelligence and Data Science enthusiast with a solid base in machine learning, analytics, and coding. Passionate about developing smart solutions and addressing real-world challenges through data insights. Eager to contribute my technical skills in a progressive organization while continuously learning and growing.

EDUCATIONAL DETAILS

B. Tech Artificial Intelligence & Data Science (2023 – 2027)

VSB College of Engineering Technical Campus (Affiliated with Anna University),
Coimbatore

CGPA: 8.69

Higher Secondary Certificate (HSC) (2022 – 2023)

Vasavi Vidyalaya Matriculation Higher Secondary School

77%

SKILLS

Programming Languages: Python, Java

Database: SQL

Tools: VS Code, Canva

PROJECTS

Cyber Shield Insight: AI – Powered Cybersecurity Financial Impact & Market Analysis

Developed an AI – powered cybersecurity analytics platform that predicts financial losses and evaluate stock market reactions to cyberattacks. Implemented using Python, Machine Learning and data visualization techniques.

INTERNSHIP

Data Analyst Intern – LITZ Tech

Processed and analyzed large-scale datasets using Python (NumPy, Pandas) to uncover trends and support strategic business decisions. Designed automated reporting dashboards to streamline data tracking and enhance reporting accuracy.

Data Analytics Intern – CODTECH IT Solutions

Build expertise in data analytics, visualization, and reporting by working with real-world datasets. Learned to uncover trends and communicate insights through interactive dashboards and analytical reports.

PUBLICATIONS

Deep Learning-Based Brain Stroke Detection System on CT Images Using CNN Learning – Patent Published (2024)

IN – PLANT TRAINING DETAILS

Signal and Telecommunication Workshop – Southern Railways, Coimbatore

Acquired hands-on exposure to railway signaling and communication system.

Understood the basics of signal maintenance and network operations.

AREA OF INTEREST

Artificial Intelligence & Machine Learning

Cybersecurity

Data analytics

CERTIFICATION

Python Programming: GUVI

Explore Machine Learning Using Python: Infosys Spring Board

Artificial Intelligence: Great Learning

LANGUAGES

Tamil – Native

English – Proficient

DECLARATION

I hereby declaration that all the information provided above is true and correct to the best of my knowledge and belief. I take full responsibility for the accuracy of the details mentioned in this resume.
